“VISIT TO VIVEKANAND OLD AGE HOME”

REPORT.

“Vivekananda Old Age Home” is a shelter for senior citizens housed at Navanagar with 22 inmates, established since 2005 by “Sneha Education and Development Society, Hubballi”.

A visit to the Old age home was organized with an objective to create awareness amongst the younger generation the plight of the senior citizens who are deprived of the care and concern from their kith and kin. Youngsters should be moulded to shoulder civic responsibility by having care and concern for elderly people at the dusk of their life when they are more weak and depressed.

The NSS officer accompanied by 23 NSS volunteers and some staff visited the Old Age Home on 21st October, 2017 on the eve of World Citizen’s day.

The inmates were very happy to see our team and delightedly shared the snacks and some necessary items we presented them with.

During the interaction with the inmates our students found that the residents who joined the old age home were either single persons, people without children or some persons deprived from the care and concern of their family members. Overall the inmates belonged to low income group and they had to be satisfied with the facilities provided in the organization. The inmates were brought round to follow a systematic schedule to carry on with their daily routine. They lived with all the cooperation amongst themselves to lead a smooth life even though some inconveniences existed. They were grateful that at least god had given the necessary things to lead their life. They were provided with Newspapers & TV facility for connecting with the outer world and were provided with routine Health facility. The relatives visited them on some occasions. They were as happy as if they had met their children when our team visited them. Our students presented a small entertainment programme for them. This visit laid a long standing impression on the minds of our young students and they said that they would take care of their parents and elders and would never fail in their responsibility in future.
