**“VISIT TO JEEVAN SANDYA OLD AGE HOME”**

**Report**

“Jeevan Sandya Old Age Home” is a shelter for the senior citizens housed at kadanakoppa, Kalaghatagi, with 35 inmates on 01.10.2019. A visit to the old age home was organised with an objective to bring home the necessity of having empathy for the parents and age-old persons in the family who are at dusk of their life a little weak and unlearn able and their eyes seeking affection and love.

The NSS programme officer accompanied by 50 volunteers visited the old age home on 1.10.2019

The inmates happily welcomed our team and our students spent nearly three hours with them. The inmates shared the reason for their stay and their experiences over there.

From the interaction the students tell that even small acts of kindness and concern from young family members would surely bring happiness in the lives of the seniors. Such organizations provide some of the basic necessities.

Which were even not affordable by economically deprived groups. In some families the age-old persons become single either due to some mishappenings or for their children living abroad or due to some disharmonious relationships among the family's members. At this juncture they need services to cope up with their weak and imbalanced health and psychological depressions.

This visit very much moved the hearts of our students and they owed that in their future they would never be a cause for any grievances of their elders in their life time.

And also, they expressed all their willingness to help the needy elders in their neighbourhood to make therefore end life period smooth and safe. Our students distributed shawls and scarf to the inmates as it was a full damp rainy season and would be useful to protect them from severe cold. Fruits and snacks were distributed to the inmates. Our students entertained them with song, skits, mimicry etc.
