

## **Details of the Performance of the Institution in One Area Distinctive To Its Vision, Priority and Thrust**

Our Institution instilled in the name of Shri. Mrityunjaya Swamiji of Murugamath, Dharwad, a pious saint, inherits its own distinct Human Values and spiritual atmosphere. Earlier it was an Educational institution which educated a number of Rural students who were sheltered in Shri. Murughamath for their Boarding and Accommodation. It was an easily affordable and safe place for the rural people to post their children for Higher Education in Urban Areas. This initiation leads to a stream of Rural students to procure admissions to our college. Our institution is situated at the heart of the city, because of which all the students get a systematic conveyance facility. For the Academic year our college Strength is 981, with 29 percent of students from urban, with the remaining 71 percent of students from rural background. It consists of 57 percent of boys and 43 percent of Girls, among them 6 were only GM and the rest comprised of 7.8 SC, 6.6 ST, 5.6 Cat-1, and 74.13 percent of OBC. This admitted data implies that we need to cater to the needs of a large sector of socially backward group of students who are also from Rural Areas. Hence our efforts are specially diverted to uplift the students who are usually very poor in communication, Basic Mathematics not exposed to the urban environment and are less motivated towards achieving higher aspirations in life. During the First Fortnight of the Academic Year the students are made comfortable with the college atmosphere in orientation program. They are made aware of all the facilities provided to them, about the learned and caring staff and also about the vision of the institution. Further in due course they are motivated to enrol themselves in soft skill development courses, career oriented programs. The teachers guide the students to participate in Seminars, Workshops and Students Projects, Industrial Visits. The students council is framed of students secretaries,

who are entrusted with various associations and committees. They actively participate in organizing special activities. A platform is frequently provided for them to become speakers, to anchor programs and for events management. The NSS, YRCU and SCOUTS and GUIDES wings in collaboration with GOs and NGOs organize community oriented program, Extension Activities, Natural Resources Preservation Campaigns and Programs to help the affected people during calamities. Blood Donation Camp is a regular feature of our institution. It also helps the students to enhance their brotherhood and harmonious relationship among all castes and creeds of the society. As a result, we rarely find any activities of sexual harassment and grievances creating activities in the premises. This better half of our college was observed by the members of the Sexual Harassment and Grievance Redressal Cell during its timely surveys. Along with Co-curricular Activities, Sports Events are organized and students are promoted to enthusiastically participate in the University/ State/ National Level Events. Which resulted in 12 University Blues in various Sports Events with 2 Women Blues among them. In this way our institution strives hard from all angles to uplift the Rural Students.
