**REPORT**

Date: 16/01/2021

As it was a period of the prevalence of COVID-19 pandemic, an online Certificate course in Basic Mathematics was organized from 24/11/2020 to 14/01/2021 by engaging 30 hours of classes, with an objective to train the beginners in commerce stream in Basic Mathematics which would be helpful for them to understand and perform better in Mathematical oriented subjects and to qualify in career oriented competitive examinations. 36 students registered for the course organized by the Dept. of Statistics in collaboration with Anjumam Arts, Science, Commerce college and P.G. studies, Dharwad with which we hold MOU.

The Course was inaugurated by a Mathematics Scholar and a Academician Prof. Harishchandra.S.Ramane, Chairman, Dept. of Mathematics, Karnatak University, Dharwad. Online classes were conducted by experienced teachers Prof. (Smt.)Danamma.C.Math, Assistant Professor, CSI College, Dharwad and Prof. S.B.Halayyanavar, Asso. Prof., K.R.C.E.Society's College, Bailhongal, and the staff from the host institutes. An offline test was taken on the completion of the course.

The effectiveness of the course was reflected in the feedback collected and analyzed. On the basis of the analysis, it was observed that 75.43% of the students rated the course as excellent and 24.57% of the students rated it as good. They strongly opined that it is an essential course to supplement the Basic Mathematics knowledge. It would surely bridge the gap in Mathematics basic requirements to study practical oriented subjects and it would be a helping hand to appear for competitive exams by giving a bird's eye view of it. They opined that it should be a routine feature every year. The students expressed their inclination for offline classes rather than online.
